

Summer 2022 Internships - Fern Hollow Nature Center

Summer NOC Internship Position Description:

The nature center is looking for a college intern for the summer of 2022 to oversee the FHNC outdoor classroom and nature play area. The primary role of this intern is to assist the education staff in the everyday maintenance and care of the outdoor classroom, nature play area and native gardens. The intern will also oversee weekly Nature Play Dates (one during the day and one during the evening or weekend hours) and must be comfortable managing small groups of children on their own. IN many cases, the intern will be in charge of managing younger counselors and volunteers.

The intern may be asked to assist with other summer camps and environmental education programming as needed. Interns may be asked to provide clerical and office assistance at various times. Interns may also be asked to participate in any number of specialty projects dealing with wildlife conservation, water quality analysis, etc. Fern Hollow will provide on-site training.

Specifics:

- Intern will work approximately 150 hours from late-May through August 2022 (approx 12-13 weeks).
- Intern will receive a stipend of \$1200.00 at the conclusion of work period.
- Hours worked per week will depend on the nature center programming schedule.
- Interns can use their hours towards acquisition of credit at any college or university as applicable.
- Interns will work directly with children ranging in age from 3 to 14 years old.

Requirements:

- must be 18 years or older and possess a valid driver's license
- must possess basic computer skills
- must be dependable, reliable and prompt
- must have a strong love for the outdoors, children and nature
- must maintain a clean and professional appearance at all times
- must be available to work some weekends and possibly weeknights
- must be willing to obtain the following clearances to work with children:
 - Act 34 (Pennsylvania State Criminal History Record Child)
 - Act 151 (Abuse History Clearance)
