

FERN HOLLOW NATURE CENTER

2025 SPONSORSHIP OPPORTUNITIES

Fern Hollow Nature Center
1901 Glen Mitchell Road
Sewickley, PA 15143

ABOUT US

Inspiring people of all ages to appreciate the environment through educational programs and opportunities to discover the natural resources of the Sewickley Valley parks

Fern Hollow Nature Center, founded in 1997, has become the centerpiece for environmental education in the Quaker Valley and surrounding area. We welcome over 10,000 visitors annually.

We foster environmental stewardship and love of nature by providing a variety of programs for both kids and adults. Fern Hollow provides hands-on environmental programming for children in preschool through middle school. We also host monthly family programs, adult programs, family fishing programs, and playdates in our Natural Outdoor Classroom.

To support this level of programming, we host two annual fundraisers: the Summer Soirée and The Fall Music Festival. The proceeds from these events fund supplies, professional development, free programs for the community, and general overhead.

The success of these events relies heavily on the generosity of our sponsors, whose contributions play a vital role in sustaining and expanding our impact in the community.

OUR EVENTS

TWO ANNUAL OPPORTUNITIES FOR CONNECTION

JUNE 6, 2025

Our popular annual Summer Soirée is a chic cocktail party for 150 people at Sewickley Quarter in downtown Sewickley. This year's event theme is **Camp Fern Hollow**, featuring camp themed activities, entertainment, dancing, and delicious food and drink.

SEPTEMBER 6, 2025

A Sewickley institution, the Fall Music Fest celebrates its 25th Anniversary in 2025. The annual festival has a loyal following and grows in popularity every year. In 2024, almost 500 attendees joined us for live music, children's activities, food trucks, and yard games at this family-friendly event.

SPONSORSHIP LEVELS THAT FIT YOUR OBJECTIVES

PRESENTING SPONSOR / \$10,000

- Both the Summer Soirée and the Fall Music Fest will be presented by your company on all advertising and publicity including posters, flyers, social media, invitations, and press releases

- Two complimentary tickets and VIP parking to the Fall Music Festival
- Business card-sized ad in Fall Music Festival program
- Company listed as a donor in Fern Hollow Nature Center's Annual Report and on Fern Hollow's website

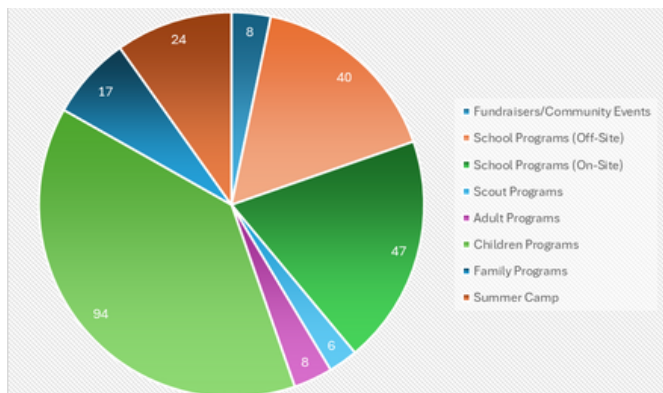

MAKING A DIFFERENCE

Thanks to the support of our corporate partners, members, and donors, we accomplished so much in 2024.

EDUCATION

- FHNC partnered with Quaker Valley and the Sewickley Academy to provide hands-on field trips for every elementary grade. We provided programs for ten other local schools and six preschools.
- We partnered with Little Sewickley Creek Watershed and Allegheny College Creek Connection to provide an internship for Quaker Valley Middle School and High School to learn more about and participate in watershed studies on Little Sewickley Creek.
- We provided a bi-weekly Reggio Emilia nature investigation program for Sewickley Academy preschool and kindergarten students.

MAKING A DIFFERENCE

CONSERVATION

- FHNC hosted two clean-up days, where a total of 120 volunteers of all ages, including board members and staff, came together to work on several grounds projects.
- Our garden committee, led by Linda Pell and Lee Bollinger, renovated our community garden. They replaced our garden beds, added a sensory garden, and incorporated a pollinator garden.
- FHNC received a glowing review from The Audubon Society of Western Pennsylvania, who evaluated our meadow and praised its biodiversity.

COMMUNITY

- We provided monthly fishing programs for the community, including a program with the Sewickley Valley Conservation Association for the first day of trout fishing. In 2024, 300 people participated in our fishing programs.
- We provided free weekly playdates in our Natural Outdoor Classroom, the first certified Nature Play area in Pennsylvania. Between June and August 2024, over 500 people attended our outdoor playdates. We added several new stations for the community to enjoy, including a music area and mud kitchen.

THANK YOU

WE ARE GRATEFUL TO 2024'S EVENT SPONSORS
