

A photograph of children in a garden. In the foreground, a young girl with long brown hair, wearing a grey sweater, is leaning over a wooden planter box, looking at the soil. Behind her, a young boy with brown hair, wearing a grey hoodie, is also looking down. To the left, another child in a white sweater and blue pants is partially visible. The garden contains various plants, including green leafy herbs and small white flowers. The background shows more greenery and a wooden fence.

ABOUT US

Inspiring people of all ages to connect with nature through hands-on education and exploration of the Sewickley Valley parks.

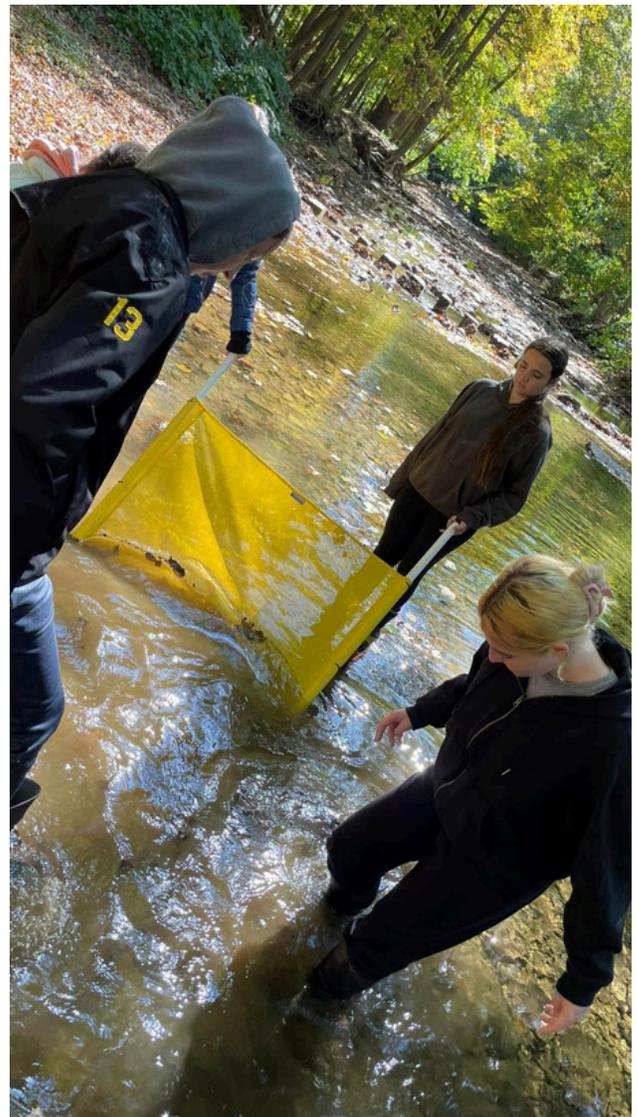

Founded in 1997, Fern Hollow Nature Center is a cornerstone for environmental education in the Quaker Valley and surrounding communities, welcoming more than 10,000 visitors each year.

We inspire environmental stewardship through hands-on programs, including environmental education for preschool through middle school students, family and adult programs, and outdoor experiences in our Natural Outdoor Classroom.

Fern Hollow hosts two annual fundraisers—the Summer Soirée and the Fall Music Festival. The proceeds from these events support our programs throughout the year, covering supplies, staff development, free community programs, and essential operating costs.

The success of these events relies on the generous support of our corporate sponsors, whose partnership helps ensure Fern Hollow remains a vibrant and accessible community resource.

This year's Summer Soirée and Fall Music Fest are especially important. In the spring, Fern Hollow will break ground on a much-needed renovation and addition to our facility. Our facility will be closed from April-October 2026, but programming will continue off-site during construction. Every dollar raised through sponsorship will ensure we can sustain our programs and continue serving the community during this transformative period.

OUR EVENTS

TWO ANNUAL OPPORTUNITIES FOR CONNECTION

JUNE 12, 2026

Our popular annual Summer Soirée is a chic cocktail party for 150 people at Sewickley Quarter in downtown Sewickley. This year we will present the Saddle Up Summer Soirée, featuring country music, dancing, decor, food and drink.

OCTOBER 17, 2026

A Sewickley institution, the Fall Music Fest has a loyal following and grows in popularity every year. In 2025, almost 500 attendees joined us for live music, children's activities, food trucks, and yard games at this family-friendly event. This year's festival will feature popular Pittsburgh band No Bad JuJu.

WHY SPONSOR US?

Corporate sponsorship of Fern Hollow Nature Center offers meaningful visibility while directly investing in environmental education and community well-being.

As a sponsor, your organization will:

- **Demonstrate community leadership** by supporting hands-on environmental education for local children and families
- **Reach a highly engaged local audience**, with more than 10,000 annual visitors and strong regional recognition
- **Align your brand with sustainability, education, and stewardship**—values that resonate with employees, customers, and families
- **Support equitable access to nature-based** learning through free and low-cost programs for the community
- **Gain recognition and visibility** through event promotions, on-site signage, digital outreach, and print materials

Your sponsorship helps ensure Fern Hollow remains a trusted community resource, connecting people of all ages to nature while strengthening the region we call home.

SPONSORSHIP LEVELS THAT FIT YOUR OBJECTIVE
